**CHAPTER E-7.2 REG 3**  
*The Electrical Licensing Act*

**Title**

**1** These regulations may be cited as *The Electrical Licensing Exemption Regulations*.

**Interpretation**

**2** In these regulations:

- (a) “**Act**” means *The Electrical Licensing Act*;
- (b) “**agricultural production**” means one or more of the following activities:
  - (i) the growing of grains, fruit, vegetables, nursery products and forage products;
  - (ii) the raising of:
    - (A) cattle, sheep, hogs, horses or poultry; or
    - (B) other animals for the purposes of producing food or fur;
  - (iii) the keeping of bees;
- (c) “**farm**” means a rural land holding that is located:
  - (i) outside the corporate limits of a city, town or village within the meaning of *The Urban Municipality Act, 1984*; or
  - (ii) within the boundaries of an area that is legally zoned for agricultural use;  
the use and development of which is exclusively for the purposes of agricultural production;
- (d) “**farm building**” means a building that is associated with and located on a farm, and includes a residence located on a farm;
- (e) “**hazardous location**” means a hazardous location as defined in the latest edition of the *Canadian Electrical Code* prescribed pursuant to subsection 5(1) of *The Electrical Inspection Act*.

**Exemption from section 8 of Act**

**3(1)** Subsection 8(1) of the Act does not apply to work of single phase electrical installation that:

- (a) is performed:
  - (i) by an individual who operates a farm; and
  - (ii) on the premises of the farm mentioned in subclause (i) or within a farm building on the premises of that farm;
- (b) does not exceed 200 amperes or 300 volts between phase conductors; and
- (c) does not involve a hazardous location.

(2) Nothing in subsection (1) relieves any person from compliance with the requirements of *The Electrical Inspection Act* and regulations made pursuant to that Act.
